

REMARKS

The above amendment to the claims is presented for the purpose of correcting grammatical and spelling errors noted in the Examiner's Amendment accompanying the Notice of Allowance mailed 17 Jun 2005, and also includes the changes made by the Examiner in her Supplemental Amendment dated 31 Aug 2005.

In the Supplemental Amendment dated 31 Aug 2005, the Examiner references her changes with regard to the claims in the Examiner's Amendment mailed on 06/17/05. However, applicants had filed a first Amendment After Allowance on 08/24/05 to do the following:

1. In one instance (claim 1), an amendment is requested to provide antecedent basis for "new place". "New place" is a term added to the claim by the Examiner's Amendment in lieu of "second place". The amendment changes earlier references in the claim to "second place" also to --new place--, which is the term used by the Examiner to refer to the same entity.
2. All other requested amendments in the first Amendment After Final were to correct grammatical and spelling errors introduced by the Examiner's amendment.

In this Second Amendment After Final, applicants, using

the claims of the 06/17/05 Examiner's amendment as the base, again specify the corrections described above and, in addition, include the material in the Examiner's Supplemental amendment of 31 Aug 2005.

Applicants urge that the above amendments be entered to place the application in proper condition for issuance.

Sincerely,

Julio Estrada
